

Serena Mountain Lodge

Located at 2,194 meters on the slopes of Mount Kenya, Serena Mountain Lodge is surrounded by a dense rainforest that comes alive at dusk with a myriad of sounds that make the African bush so special and exhilarating. Considered the most spectacular forest waterhole in the Aberdares, the lodge's waterhole presents a constant ballet of wildlife.

Just two and a half hours by car from Nairobi, this stunning area is towered over by the rocky peaks of Mount Kenya and prides itself in having one of the most consistently high records of big game 'visits' and sightings. Elephant, buffalo, rhino and waterbuck are regular sights on the evening and day game drives. At any other time of the day you can spot game in the specially-constructed viewing bunker that is connected to the lodge by a short tunnel. Here you will get spectacularly close to the animals that feed at the waterhole.

The lodge has 42 attractive bedrooms furnished with indigenous wood and African art, each with private bathroom. A spacious verandah also overlooks the waterhole where there is never a dull moment.

Arrangements can be made for forest walks that are a unique experience with their on-foot sightings of game and bird life. These walks can even be prolonged to the top of Mount Kenya for the very daring and sporty.
