

Le Paille En Queue Hotel

Le Paille En Queue is a smaller hotel, close to the airport and just a few minutes from the center of Tulear. It is a good place to overnight at the end of the RN7, or before travelling south to Anakao and Tsimanampetsotsa National Park.

The 18 bungalows are set in an attractive garden. Each bungalow offers a TV, air-conditioning, telephone and en suite facilities. Six of the bungalows provide a mezzanine floor, ideal for families.

The hotel has a large swimming pool and sun deck, good for relaxing after a day of travelling or birding. There is also a tennis court and a small shop. The poolside restaurant serves excellent meals; seafood is a particular specialty. Breakfast is substantial and includes fresh fruit and pastries. A safe is available in the manager's office.
