

Nosy Be Hotel

Nosy Be Hotel is located on the west coast of Nosy Be, a few kilometers from the capital of Hellville on a wide beach facing the island of Nosy Tanga. Located in a lush tropical garden of two acres bordering the beach, its sophisticated architecture, mix of precious wood notes and color, gives this hotel authentic charm especially desired by the hostess.

Particular attention is paid to the decoration of the rooms. All different, they are a beautiful demonstration of the aesthetics of the Malagasy culture. Rosewood, coconut, raffia, shells, flowers and local tissues are used to sublimate the décor and make it user friendly, the feminine touch of the hostess is found in each composition. Four class levels are offered and all are equipped with mini-bar and individual safe. Also, the VIP bungalows have just been made; they complement the range of hotels. They are the great result of the Malagasy architecture and modern comfort.

Facing the sea and the sunset at the pool, restaurant “Alta Marea”, the chef offers a refined cuisine based on seafood, fish and shellfish, meat of zebu slightly relieved by the green pepper of Nosy Be; the final touch with the dark chocolate mousse of Madagascar. To relax, you can take a dip in the pool at the hotel on the water, enjoy a massage with a coconut oil base, play billiards or take a ride on a pedalo. For athletes, the hotel has selected a Dive Center (PADI) course, which offers trips “under water” but also for a boat trip on the nearby islands. For the adventurous, the hotel also offers rental of a catamaran. Several other trips are also planned: visits to neighboring islands like Nosy Komba, Nosy Tanikely, Sakatia Nosy, Nosy Iranja or Mitsio, and around the Nosy Be in the 4x4 or quad inside the country. Program relaxation, sports or adventure, there’s something for everyone!
