

# Mvuu Camp

## Wilderness Adventures

The camp is a clever mix of stone and canvas chalets and specially-designed family units. An impressive thatched dining and lounge area is situated nearby, offering a magnificent river vista. Dinners are sometimes held 'under the stars' in a specially constructed boma. There is a new custom-built education and conference centre with facilities for up to 40 delegates or smaller corporate and team building functions.

Mvuu Camp offers a wide range of options including camping, self-catering and full board rates, as well as a range of activities. The activities on offer are the same as those offered at Mvuu Wilderness Lodge, but the camp is better suited either to families or those on a budget, as rates are more reasonable.

A particularly rewarding way of arriving at Mvuu Camp is via the boat trip from Liwonde town. This river trip takes guests 30 kilometres along the Shire, offering an excellent chance to see game and birds en route and the ever-changing scenery and vegetation along the banks. The area can be explored via a diverse array of activities such as boating trips on the Shire River, game drives (morning and afternoon / evening), nature walks, bike rides and non-stop birding.
