

# Dugong Beach Lodge

Dugong Beach Lodge is situated in the idyllic Vilanculos Wildlife Sanctuary. This sanctuary covers 30 000 hectares of pristine marine and wildlife territory. Guests at this luxurious Mozambique lodge are treated to a diverse eco-system of bush, wetland, white powder white beaches and crystal clear waters. The accommodation is set in on the beach providing guests with spectacular views.

Guests stay in luxury chalets and villas overlooking the scenic ocean. A generator is used for electricity due to Dugong Beach Lodge's remoteness. The generator runs during the morning and again at sunset for a few hours.

The Lodge offers 12 luxuriously appointed, air-conditioned chalets with direct access to the beach via individual walkways (14 bedrooms, as two units are villas consisting of 2 bedrooms). Each Villa has 2 bedrooms and a plunge pool. All rooms have outdoor showers and twin beds can be converted to double beds. Each chalet has a private deck furnished with day beds for relaxation or wellness treatments and where private dinners can be enjoyed. There is an interflowing swimming pool with an island-style bar and martini seats with spectacular views of the ocean.

Dugong Beach Lodge provide guests the ideal location from which to explore the beautiful coral reefs. Snorkel or scuba dive along the spectacular reef home to a vast range of fish species. Alternatively, cool off in the inter flowing swimming pool. Guests on their Mozambique holiday can discover the hidden treasures on the island. The island is home to more than 300 different bird species, including the Mangrove

Kingfisher and the Crab Plover. The pristine beaches are ideal for soaking up the sun or for enjoying a romantic stroll to watch the beautiful sunset. Windsurfing, water skiing, fly fishing and deep sea fishing can be enjoyed by the more adventurous.
