

Matemo Island Resort

Just eight kilometers long and three kilometers wide, Matemo Island is a magical destination, with pristine beaches enveloped by an azure sea, offset by the distinctive silhouette of thousands of palm trees. Located in the breathtaking 250km-long Quirimbas Archipelago, Matemo offers an escape to a place where time seems to have stood still. Here in this Mozambique tropical paradise, some of the world's most spectacular dive sites await discovery whilst an abundance of marine life can be seen in the protected waters of the Quirimbas Archipelago National Park. It is surrounded by dazzling white sand and azure blue sea and offers a heady combination of exclusive sophistication and laid-back Mozambique island style living.

For stylish Quirimba beach living, you need look no further than Matemo's blend of understated luxury. Each chalet is beautifully appointed, with spacious en-suite bathrooms, outside showers and deck hammocks for lazing in whilst watching passing local dhows and the gentle undulations of the sea. Every effort has been made to ensure that the beach chalets blend into the natural Quirimba Island surroundings, with local Mokuti palm roofs offset by glamorous touches such as local white marble, ornate carved doors from Zanzibar and rich furnishings and rugs from Dubai.

The spacious guest areas are gently elevated above the sea, with the lively bar, dining area and swimming pool commanding sweeping views over the Indian Ocean. Fresh, seafood-oriented meals are served in a variety of locations, from the open dining area to the poolside or on the sand with the sea lapping at your feet. To ensure ultimate relaxation, a range of simple spa treatments is on offer. A world of activity is open to those who want to explore Matemo's natural treasures. For marine adventures, such as diving, snorkeling or fishing, you could not choose a more idyllic natural environment than the Quirimbas, whilst water sports such as sailing, water-skiing, windsurfing and kayaking provide endless action-packed fun. Matemo's spectacular coral "bommies", as well as reef banks, wall dives and a fascinating wreck dive, allow divers of all ability to experience a dazzling world of marine diversity. The protected waters around Matemo Island offer some of the most spectacular fishing in the world. The Indian Ocean here with its deep Mozambique Channel harbors some of the most exciting game fish to catch and release - species such as kingfish, queenfish, barracuda, mackerel and yellowfin tuna.
