

DOCK HOUSE

Dock House is situated opposite the graceful Timeball Tower and its sister property, the renowned Victoria & Alfred Hotel, in the Waterfront's Portwood Precinct. From the very first moment of arrival, Dock House guests can expect minute attention to detail, exclusivity and personalized yet unobtrusive butler-style service. The glamorous suite and each of the five chic rooms at Dock House have been

individually decorated and imbued with a unique and understated Victorian elegance, juxtaposed with lush contemporary style and comfort. Dock House has its own private kitchen and Chef offering guests a tantalizing selection of epicurean delights. Delectable breakfasts are served daily in the bright and elegant morning room, which is also an ideal venue for hosting private meetings throughout the day.

Attention to detail is the order of the day with each room equipped with an en-suite designer bathroom, a stylish open bar, plasma-screen television, satellite decoder and free high-speed wireless internet connection. The suite has access to a private garden, while the other ground floor room opens onto a veranda overlooking the groomed garden and swimming pool area. Three of the 4 four upstairs rooms have balconies overlooking the Waterfront's scenic harbor and surroundings – two of these upstairs rooms have an optional interconnection facility.

'ONEwellness' is located in the Dock House annex adjacent to Dock House and offers guests sophisticated cutting-edge gym facilities with panoramic harbor and mountain vistas, as well as secluded treatment rooms for personalized pampering. 'ONEwellness' also offers health conscious guests a variety of delicious fusion teas and a comprehensive choice of wellness food options.
