

Kings Camp

Situated in the Timbavati Private Nature Reserve, Kings Camp reflects the charm and romance of a colonial past in a pristine corner of unspoilt Africa. Kings Camp is situated facing an open savanna plain with a waterhole, which is frequented by a wide variety of wildlife, day and night. Kings

Camp offers a number of very comfortable living areas for you to just sit back, relax and soak up the tranquility of the African bush. For those wanting to keep in touch with family members back home, there is a desktop with wireless internet connection available in the library 24 hours. A thatched viewing deck overlooking a very active waterhole and an open plan lounge, and bar are the ideal place to see out the heat of the day, while sipping an ice cold cocktail. Alternatively, a dip in our swimming pool is maybe a better option for some.

Eleven generously spacious colonial suites are luxuriously equipped with air-conditioning, Victorian ball-and-claw bath, indoor and outdoor double shower, fully stocked mini-bar and private verandah with hammock. Dark tones of wood and thatch offset the natural colors of the bushveld.

Our spacious dining room offers stunning views of the bushveld, while enjoying the sumptuous meals offered at Kings Camp. Head Chef, Nico Hoogers, is on hand to create a variety of wholesome and satisfying dishes, which gives each and every guest a taste into the finest in African ingredients and decadent flavors. Also, with a wide range of dining venues within the camp, no dinner is the same at Kings Camp. More adventurous

activities include extremely informative and exciting tours to the African wildlife rehabilitation center or Morning and afternoon game drives with knowledgeable rangers in open vehicles. Walks through the bush take place just after breakfast, on request, and is the best way of experiencing the “finer” aspects of the bushveld. Also, you can experience the beauty of the Blyde River Canyon in the luxury of a helicopter, or greet the African dawn on the manicured fairways of their challenging 18 hole, par 72 championship golf course, where crocodile and hippo add spice to normal “hazards” of a good game of golf. For those who wish to stay active, Kings Camp offers a well-equipped gym, along with an array of pampering treatments at the spa - a must in completing your all-round rejuvenating safari experience.
