

# River Manor

River Manor with its National Monument status comprises two historical houses set in the picturesque Oak-lined "Avenue" across from the Eerste River, a mere two minute stroll from the village centre with its museums, street cafe's, restaurants and galleries. An exclusive Health and Beauty Spa is set within the gardens of River Manor where guests are able to indulge in true luxury and pampering. The Spa is professionally run by a team of therapists

offering a range of health, beauty and relaxation treatments. Enjoy Colonial poolside breakfasts before setting out to explore Stellenbosch and its surrounding winelands. Hosts Johan and Leigh together with the River Manor team look forward to welcoming guests to their gracious manor with traditional hospitality and personal service.

The 16 spacious en-suite rooms, furnished within the theme of 'Colonial Charm with a touch of Africa' are stylishly decorated with antiques and combine old world charm with modern conveniences. Rooms are equipped with the necessary modern conveniences (TV with MNet, hairdryer, ceiling fan, wall safe, bar fridge, heating) and the luxuries of complimentary Port and Sherry trays along with soft toweling bathrobes. Air conditioned rooms are available on request.

The River Manor offers a number of spa treatments and packages, plus two swimming pools. It is not far from many places of interest such as Cape Town, Paarl, Strand, and more. Also, there are many attractions for guests. These include Tennis and Squash courts, horse riding, hiking trails, golf, fishing, and game viewing.
