A typical day will include an early morning up-close game drive followed by breakfast either back at the Main lodge or in the riverbed or bush. The afternoon game drive is preceded by high tea, and extends into the evening to view seldom observed nocturnal species and where possible tailored to suit individual guest's preferences and interests. Sundowners and snacks are enjoyed by guests during the game drive at a remote, scenic spot. Dinner is served in a variety of locations such as, the boma, the deck or even in the bush. Guests may socialise with a Cognac or single malt before retiring to bed ahead of another day's Safari experience.
