

V & A Waterfront Hotel

You can feel the ambience of colonial Cape Town as you step into the foyer of the V & A Waterfront Hotel. This landmark hotel is perfectly situated in the heart of the Victoria & Alfred Waterfront and offers spectacular views of the working harbor and Table Mountain. Built in 1904 as the North Quay Warehouse and converted in 1990 to a luxury hotel, it is

named in honor of the Queen of England and her son. It's the precise details that gives the Victoria & Alfred Hotel its elegance, intimacy, romance and reputation....the wooden staircase, the telescope, flowers and the service....friendly and efficient yet never intrusive.

There are 94 spacious, air-conditioned, en-suite rooms spread over three floors. Our superior luxury double rooms boast separate bath, shower and toilet, king-sized beds and are creatively styled and well-appointed. All have coffee and tea on tap, with private bar, electronic safe, pay-for-view television, wireless internet plus high speed internet access and trouser press....every room has a view over the ever-awake Alfred Basin or Piazza. Truly unbeatable! On both the first and second floor, there are Mountain and Piazza facing Junior Suites. Our third floor is home to 26 sophisticated superior loft bedrooms – the ideal space for visitors seeking a cosmopolitan experience with all the refined luxury that the Victoria & Alfred Hotel shamelessly boasts.

The OYO Restaurant & Cocktail Bar offers a world class dining experience with its picture postcard views of Cape Town's working harbor and Table Mountain. It is arguably the finest dining location in the V&A Waterfront. In addition to our in-house restaurant we also have four sister restaurants conveniently located in close proximity to the hotel: Salt Restaurant & Bar, Salt Deli & Vodka Bar, Sotana by Ceveau, and the newest addition, Dash Restaurant & Bar. On another note, business

people tell us time and again that the Victoria & Alfred Hotel's sophisticated Forum Conference and Banquet Centre is a cut above the rest, with state-of-the-art equipment. The Forum is popular for conferences, dinner dances and special occasions, such as product launches, birthdays and weddings. There are wireless internet and fax facilities and a full secretarial service with secure parking in front of the hotel.

The hotel offers a wide array of different facilities and services for your convenience. These include a Designer Spa, State-of-the-art Gym, Pool area, Assisted disabled room / facilities, Professional child minding service, and a Fleet of luxury sedans for airport, city and restaurant transfers to name a few. For those looking for a bit more activity, the V & A Hotel also offers a variety of different recreational options including Personal Training, Golf, Tennis, Hiking, Squash, Horse riding, Yachting / Boating / Surfing / Swimming, and Cycling. Also, some of the finest retail outlets from designer stores to restaurants, craft markets, cinemas, and boat cruises to Robben Island and entertainment in the amphitheatre are all just a short walk away!
