

# Arumeru River Lodge

This magnificent new lodge is spread over 12 acres (ca. 50,000 sq.m.) of beautifully landscaped gardens and natural African bushland, bordering on a river lined with precious large old trees. The attractive main building is equipped with the resort facilities, extremely comfortable lounge and bar areas,

the reception with telephone /Fax, internet, a boutique, the restaurant and cloak rooms. A terrace restaurant with spectacular views of the mountains Meru and Kilimanjaro overlooks the tropical gardens and a large solar-heated swimming pool. Arumeru River Lodge was built on the site of an old coffee farm and is situated only 700 m. south of the main Arusha - Moshi road, just a 35 minutes drive from Kilimanjaro International Airport and 15 minutes away from the town of Arusha.

This exclusive resort with its particular African charm is now open to welcome guests. It is our aim to offer our guests comfortable luxurious accommodation, personalised service, great attention to detail, excellent international and local African cuisine and an inviting homely atmosphere.

There are 20 spacious comfortable rooms with en suite bathrooms and verandahs in 10 chalets, all on the ground floor. The rooms are designed and decorated in harmony with the main building where the accent is on traditional eco-friendly African architecture.

Activities at Arumeru River Lodge include a large solar-heated swimming-pool with terrace, sunshades, sunbeds and changing rooms, a jogging trail, with all Tanzanian National Parks and game reserves, mountain trekking nearby.
