

Serengeti Serena

Set high on the saddle of tree-clad ridge commanding panoramic views over the endlessly rolling reaches and volcanic reefs of the Serengeti, the Serengeti Serena Safari Lodge is the ultimate fusion of traditional African architecture and world-class style. Drawing its inspiration from the circular 'Rondavel' dwellings and winding paths of a traditional Maasai village, the Lodge features thickly-thatched, stone-built rooms, sparsely set amongst groves of indigenous trees that are cooled

by sparkling streams and papyrus-fringed ponds. The circular bar, its roof supported by massive carved figures of warriors, maidens and elders, looks out over the sky-blue, 'vanishing horizon' swimming pool towards the miles of lion-gold savannah that lie below, wherein is enacted the thunderous theatre of the million-strong wildebeest migration. As for views, from lilac-streaked sunrise, to diamond-domed night, the searingly sensational Serengeti delivers a series of timeless volcanic vistas that are second to none.

Each room is accommodated in a stone-built, traditionally-thatched 'Rondavel', featuring natural stone bathrooms, wildwood balconies, rope-lashed staircases, leopard-print drapes and intricately carved furniture, the overall effect of which is a unique blend of authentic ethnicity and world-class elegance. As for the views, from lilac-streaked sunrise to diamond-domed night, the searingly sensational Serengeti delivers a series of timeless volcanic vistas that are second to none.

Activities include action-packed game drives through the magnificent ecosystem of the Serengeti, morning wildlife walks around the lodge with our resident naturalist, a full safari breakfast, cooked in the bush, A 'Bush Barbecue' lunch, evocatively staged on a bluff overlooking the Mbingwe Valley, wherein is enacted the world-famous wildebeest migration, atmospheric 'Sundowners' in our own bush camp as the sinking sun sets the Serengeti ablaze, traditional displays of

dance, music and cultural performance, and nightly wildlife and cultural talks, videos and film shows.
