

Vuma Hills Tented Camp

Vuma Hills Tented Camp is perched above the trees stretching over the seemingly endless wilderness southwest of Mikumi National Park overlooking the Mkata floodplains. Guests can enjoy the beauty of Mikumi National Park and the rain forest of Udzungwa Mountains National Park from the comfort of Vuma Hills. Personal service and extremely friendly staff and rangers will make guests

feel right at home. 'Vuma' translated from Kiswahili meaning "a good rumour that is spread with the blowing wind". Now a reality rather than just a rumor, it is the ideal place to evoke the true spirit of Africa. Vuma Hills Tented Camp, is an easily accessible and attractive camp set in a peaceful location on a rise about 15 minutes from the entrance to Mikumi National Park.

The 16 luxury tents all have a double and single bed, good bathroom, private veranda and each is tastefully decorated in colonial style. The public areas are set around the small swimming pool and with views over the Mkata River flood plains. The lodge is managed by the Fox family and with their Africa experience they have made this a relaxed, unpretentious camp with a cozy feel.

Game activities at Vuma concentrate mainly on open-topped 4x4 game drives; however it is possible, dependent on season, to take a walking safari to the source of the Kikoboga River, or daily guided wildlife excursions and culture tours to the nearby villages. Also, hiking under the rainforest canopy with its endemic birds and primates to emerge at Sanje waterfalls for breathtaking views over the Rift Valley below, is a full days excursion in the

fascinating Udzungwa Mountain Reserve, a truly rewarding journey. Enveloped in a unique and fascinating rain forest, the mountains have been untouched for thousands of years due to taboos and local beliefs. Even now this rarely visited area is a must for those looking for the country of contrasts' that is Tanzania. In the dining room, guests can savor the home grown food, freshly prepared with pride by camp chefs, while looking over the inviting swimming pool area in this little oasis. Vuma Hills Tented Camp owns its own highland farm from which it obtains great fresh produce.
