

Bushdrifters Mobile Safaris

Bushdrifters Tanzania Ltd is a Safari company that is owned and operated by local Tanzanians. We are committed to providing to clients with an affordable, customized and quality Safari experience that incorporates the sharing of information about local wildlife and habitat conservation as well as local and traditional culture. We are committed to responsible sustainable tourism practices to ensure the continued enjoyment of Tanzania's National Parks in the future.

We work to educate our clients and the local community so that sustainable tourism also promotes the economic development of the local area.

At our Luxury Mobile camp you will be met by the Camping Staff. All tents are made of double roof (waterproof) canvas with openings fitted with zips, large windows improvised with mosquito nets and fly-sheets (verandah and ground) and equipped with beds, folding tables and Chairs. Each tent has independent toilet and hot shower.

Meals are served on the table in a spacious mess tent with large windows. The day begins with a sunrise copious breakfast then you leave for a game drive. For Lunch you have a choice of either a picnic or return to the camp and depart for an afternoon game drive and landscape seeing. Don't miss a well prepared dinner by the experienced cook including African dishes on the last night for your experience. There are many different itineraries to choose from including Beach Holidays,

Walking Safaris, Wildlife Safaris, Cultural Safaris, Mountain Climbing, and a special wedding and honeymoon package.
