

# Ngala Safari Lodge & Tented Camp

Meaning 'lion' in Shangaan, Ngala was the first private safari reserve to be incorporated in the world-famous Kruger National Park – the largest wildlife sanctuary in South Africa. With exclusive traversing rights over 14 700 hectares (36 323 acres) of Kruger's game-rich wilderness, Ngala offers an extraordinary African wildlife safari experience.

Owned by CC Africa, Ngala is one of Africa's most innovative conservation partnership agreements – jointly signed in April 1992 by the WWF-SA (World Wildlife Fund – South Africa), South African National Parks and CC Africa. Under this partnership, an annual lease, traversing fees and a percentage of Ngala's profits are paid to the National Parks Trust. As a reliable ecotourism destination, Ngala makes a significant contribution to ongoing community empowerment operations and conservation development
