

V & A Waterfront Hotel

Framed by the ocean and Table Mountain, the elegance and luxury of the Victoria & Alfred Hotel is rivaled only by its relaxed atmosphere and warm personal service.

Located in the historic 1904 North Quay Warehouse, this privately owned hotel is renowned for the highest international standards. Its idyllic setting in the heart of the beautifully restored Waterfront affords it spectacular views of Table Mountain and the working harbor whilst its convenient proximity to a vast selection of tourist attractions, shops, restaurants, Cape Town City Centre, the Atlantic coastal playground and the winelands is another attractive feature.

Combining Victorian elegance with international standards, the Victoria and Alfred Hotel at the Waterfront offers superior accommodation in the style of colonial Cape Town. The hotel boasts 68 ultra-large, superbly furnished, air-conditioned double bedrooms. Each has king size beds, full-size bath and separate shower, separate toilet, fully stocked bar fridge, television, radio and hair dryer. The rooms enjoy unrivalled views of either Table Mountain and the city or the vibrant working harbour and Table Bay.

Dining at the hotel's award winning restaurant, the Waterfront Café, overlooking the cobbled quayside and the harbour is reminiscent of a meal in a Southern European coastal village. The stylish warmth of the restaurant is reflected in every meal served, whether it be breakfast, lunch or dinner.

Breakfast is a relaxed affair, aptly complemented by the gentle morning sunshine, which floods into the restaurant. Lunch presents a choice selection of crisp salads and light, innovative dishes. As the sun begins to set, fishing boats unload their daily catch of fresh linefish while cocktails are served on the terrace. Dinner is a more notable occasion and allows the discerning client a universally welcoming selection of modern, international cuisine, providing a thoroughly enjoyable experience

Within close proximity are the Cape's major tourist attractions and adjoining the Victoria and Alfred Hotel are a number of interesting shops, boutiques, a theatre, restaurants, cafés, bistros, bars, a local brewery and other places of interest.
