

## Seyyida Hotel & Spa

The Seyyida nestled in the heart of the world heritage site of Old Stone Town is a unique story of arches, old walls and courtyard gardens that take you on a journey back in time. The exquisite charm of the indoor garden is further accentuated by the perfume of plants such as jasmine, wild basil, queen of the night and the most famous of Zanzibar flowers the Kilua herself. It is an elegant boutique hotel with stunning panoramic views of both the Stone Town and the Ocean front; a charismatic and

gracious model of femininity that mixes the beauty of the old with the modern, and is situated next to the Palace Museum - formerly the residence of the Zanzibari Royal Family - and is just a short walk from the most celebrated Stonetown monuments such as the Forodhani Garden, House of Wonder and the Old Fort.
