

# Adventurer Exploration Botswana with Wilderness Safaris

## Parched Kalahari

3 Nights/4Days

*Experience the style and essence of Wilderness Safaris' Adventurer Safaris that takes you back to the bygone days of Africa's exploration. The 3m x3m dome tents (at Nxai Pan), complete with mini-verandas, allow you to feel more connected to nature, accentuating the feeling of the wild and untamed. Pure cotton linen bedrolls (with duvets) on GI stretchers, bedside table with silver lantern and mini luggage benches add to the atmosphere. Shared separate toilet and shower 'bathrooms' with old-style tin bucket showers and basins create simple serviced comfort.*

### ~Itinerary~

#### Days 1, 2 & 3: Nxai Pan, Nxai Pan National Park

Upon arrival in Maun and once all guests are assembled, we depart overland to our pre-erected private Adventurer campsite in the Nxai Pan National Park.

The Kalahari Desert pans around Nxai Pan are fossilised and covered with short nutritious grasses and stunted acacia trees, creating wildlife-rich areas surrounded by vegetated dune savannahs. Extensive game drives explore the surrounding pans, with an excellent chance of seeing spectacular dry-season predator-and-prey interaction at the waterholes. Possible game sightings include gemsbok (oryx), springbok, even the elusive black-maned lion and a range of other different uniquely adapted wildlife not often seen in the savannah regions found in northern Botswana.

Close by is the famous Baine's Baobabs tree island, a series of enormous old baobab trees on the edge of the shimmering white Kudiakam saltpan. These trees were painted by Thomas Baines on his exploratory expedition in the late 19<sup>th</sup> century.

#### Day 4: Road transfer to Maun
