

THE BEST OF NAMIBIA WING SAFARI

6 Nights / 7 Days

To observe Namibia from the air is an awe-inspiring experience; the vast expanses of moving rippling sands, the great blue skies and grey of the ocean extending to the horizon. This safari explores four distinct regions; the sand and red dunes of Sossusvlei, the icy, life filled coasts at Swakopmund and Walvis Bay; the stark plains of Damaraland with their desert-adapted elephants; and the amazing wildlife abundance on the Etosha savannah.

~Itinerary~

Days 1 & 2 : The Namib Desert - Sossusvlei

Morning transfer to Eros Airport (Windhoek) for light aircraft flight to Sossusvlei Wilderness Camp*, a one hour flight away. Activities are conducted in 4x4 vehicles and include a safari down to the very end of the Tsauchab River and to the heart of Sossusvlei for wonderful dune scenes.

B/L/D (complimentary upgrade to Premier Little Kulala included from 01Dec09 - 31May10 whilst Sossusvlei Wilderness Camp is closed for renovations).

Days 3 & 4 : Walvis Bay-Swakopmund Damaraland

Fly over the dunes of the Namib and up the coast offering spectacular desert scenery, where the dunes and the desert meet the Atlantic Ocean. At Walvis Bay we are met for a wonderful boat trip out to sea where there are frequently good sightings of dolphins, seals and sometimes even penguins and whales. Depart this afternoon from Swakopmund, for a scenic flight further up the Skeleton Coast, and past the Cape Cross Seal Colony before we turn east and fly up the Huab River to Damaraland Camp for two nights. Highlights of the stay of Damaraland Camp are nature excursions into the rocky desert in search of the rare and endangered desert Elephant and Rhino. B/L/D

Day 5 & 6: Etosha & Ongava Camp

Fly by light aircraft from Damaraland to Etosha and Ongava Lodge or Ongava Tented Camp for two nights. Etosha, covering an area of 22,000 square kilometres, offers excellent game viewing opportunities. Our game drive activities will focus mainly the mornings. In the afternoon and evening we have the opportunity to enjoy walks, hides within Etosha and night drives within the private Ongava Reserve.

Lion, Leopard, Elephant White Rhino and Black Rhino as well as all the plains game can be seen here. Tracking Rhino on foot is one of Ongava's highlights. B/L/D

Day 7 Windhoek

Depart Ongava Lodge for flight back to Windhoek.
